999 999

Help's on the way, help's on the way.
If I need help, I know what to do,
I can call the police and the fire station, too,
It makes me feel safe to know what to do.
Call 9-9-9

Five Firefighters

Five firefighters, standing in a row
1, 2, 3 and off they go
Hop on the engine with a shout
Quick as a flash
The fire is out

Fire-fighter *Sung to: "I'm a little teapot"*

I'm a little fire-fighter on the go,
Here is my helmet, here is my hose

When I see a fire *(pretend to look)*,
Hear me SHOUT! *(shout loud)*.

I turn the water on *(pretend to turn water on)*,
And put the fire out *(pretend to sweep hose back and forth)*.

What is My Job? *Sung to: "Are you sleeping?"*

Eg I help people get well. Eg I help people get well.
Who am I? Who am I?

Stop, Look, Think

Stop, look, think
Stop, look, think
Before you cross the road
Before you cross the road
You use your eyes and you use your ears
You use your eyes and you use your ears
And if no car or bus appears
Well then you cross the road
Well then you cross the road

I'm a Helpful Doctor *Sung to: "I'm a little teapot"*

To The Hospital *Sung to: "Are You Sleeping"*

Miss Polly Had A Dolly

Miss Polly Had A Dolly who was sick, sick, sick
So she called for the doctor to come quick, quick, quick,
The doctor came with her bag and her hat,
And she knocked on the door with a rat-a-tat tat.
She looked at dolly and she shook her head.
And she said Miss Polly, 'Put her straight to bed.'
She wrote on the paper for a pill, pill, pill.
'I'll be back in the morning yes I will, will, will'

Police officer *sung to I'm a little teapot*

Safety Belts *sung to the tune of Jingle Bells*

Safety belts, safety belts, wear them all the way
Every time you're in the car, every night and day, oh
Safety belts safety belts, wear them round your lap
Then before you start to ride, Everybody snap
