The Bee Song

The bees are in the flowersX3
They're busy as can be

They're collecting lots of pollenX3
To take it to their hives

They're buzzing round in circlesX3
With pollen on their legs

They're making lots of honeyX3
For us to eat on toast

The Caterpillars

The caterpillars munch, munch, munch

Leaves for breakfast , leaves for lunch
You ask me why they do this
To become such beautiful things

The caterpillars hide, hide, hide
In special shells they'll grow inside

The caterpillars sleep, sleep, sleep
Each grows four wings and six new feet

The day has finally come, come, come
And to the twigs you'll run, run, run
You'll see the caterpillars that
Became such beautiful things

5 Spotty Ladybirds sitting on a tree

A tiny seed was sleeping

A tiny seed was sleeping
Underneath the ground
A tiny seed was sleeping
Underneath the ground
And the rain came drip drop
And the sun shone down
A little shoot came peeping
Out of the seed
It grew up into leaves of green
Swaying in the breeze
And from the leaves there grew a flower
Yellow and bright

5 Little Worms

5 Little worms on a garden lawn.
Wriggling around at the crack of dawn.
Along came a magpie, Yum yum yum.
Now that little worm is in her tum.
Little worm, little worm.
Now that little worm is in her tum.

Sat on a speckled log
Eating some most delicious grubs,

Where it was nice and cool

Down came the rain and washed the spider out

So incy wincy spider climbed up the spout again

Round and round and round and
