

MONDAY

Diwali (the Hindu festival of lights) was on Saturday. We will be talking about different cultures and beliefs and how each of our family cultures differ (some eat tea in the lounge watching TV, others sit around a table). Cbeebies have a lot of information about Diwali on iplayer.

We will be having a go at making Rangoli patterns. You could try this- draw patterns, use chalk, ripped up pieces of paper, rice...

TUESDAY

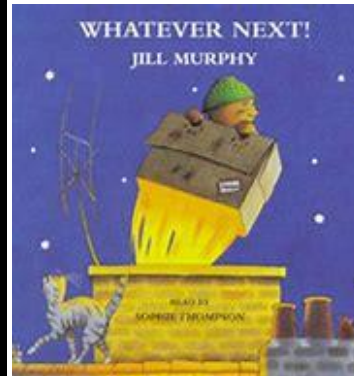

Looking at the different shapes of buildings. Is your house square shaped? Do you have a triangle shaped roof? Is your front door a rectangle?

We will be making and drawing houses, can you draw yours?

WEDNESDAY

Listen to one of the teachers read 'Whatever next!'

Have you got a box at home? Where would you go...?

THURSDAY

We are going to cut some simple shapes out of card and stick lollipop sticks to them and create simple shadow puppets to use in the dark den with torches.

Try and make some at home.

FRIDAY

We are thinking about the initial sounds in words in nursery and will be using boxes with letters on to sort some objects in nursery.

How many things in your house begin with the sound S?
