Squeeze him very tight
Hold him high
Make him fly
Then hug with all your might

Mummy phoned the doctor and the doctor said
No more teddy bears jumping on the bed

Pick your teddy bear up from the ground
Then go dancing all around
Hold her high and hold her low
As round and round and round you go!

Hold him tight with all your might

Hold her close and hold her far
Pretend that she can drive a car

Hold him front and hold him back
Sit down with him on your lap

Early in the morning.

Early in the morning*

Do a little jig and make him smile...
Make him walk the plank till he starts to
wobble...
Tickle him till he starts to giggle

Pirate song

When I was 1 I banged a drum the day I went
to sea
I jumped aboard a pirate ship and the captain
said to me
I'm going this way, that way, forwards and
backwards
Over the Irish Sea
A bottle of rum to fill my tum and that's the life
for me.

1 said sorry but I must go
So off he flew up in the sky
Leaving 4 to fly on by

Clap, clap 123, flap your wings and tap your
knee*

4 Little Seagulls flying low...
